

Seven Stars West Circular Cycle Route

HARD

**7.73
MILES**

 **Start/End:** Seven Stars pub (car park available).

 **Amenities at start/end:** Convenience stores selling takeaway coffee, cold drinks, snacks.

 **Along the way:** No facilities.

 **About the route:** Fairly quiet roads, although the B5249 occasionally has larger vehicles on it. There is a narrow pavement here to use if you prefer. This is a lovely flat route and Ripley Lane in particular is a nice quiet road. For those wanting a longer ride, this route can be linked with the Seven Stars East Route.
